You may ask Why ?

Richard and myself (Graeme) recently applied for a grant for Our Corps from The Northamptonshire Community Foundation. We applied for the grant as the table and chairs required updating in the Community lounge.

We were successful and received a grant of £5000. As part of the terms and conditions of this grant we agree to show the above logo.

By the time to read this the new table and chairs will be in use.

Im sure you will agree that the room can become more multi purpose.

## CAN YOU HELP ?

If any one has any spare time during the week and is able to spend a few hours each by just sitting in Sally Ann's café then please let Richard know.

This is our Café that has a great potential

We are wanting to have more of a Christian influence in there, to get to know the people that come in. What a wonderful opportunity We have to get to know the people that use our facility
