### ••• Dirty Dishes •••

Thank Heaven for dirty dishes,  
They have a tale to tell,  
While other folks go hungry,  
We're eating very well.  
With home and health and happiness,  
We shouldn't want to fuss  
By this stack of evidence,  
God's very good to us.

Thankyou to Julie Ellitson for sharing this

**Hello all**

As Im fast approaching my 60th birthday I felt I ought to do something to mark this milestone so.....on July 1st on my actual birthday I will be doing a tandem skydive !!! I am doing this as an achievement for myself and also raising awareness and funds for the Salvation army in their work against modern slavery and human trafficking. if any one feels they would like to sponsor me all donations however small would be greatly appreciated. [ will be setting up a justgiving page for online donations or I have sponsor forms at reception.

With thanks and kind regards

**NORWICH CITADEL BAND**  
**(Bandmaster Richard Woodrow)**

Norwich Citadel Band was established in 1882 following a visit by General William Booth, founder of The Salvation Army, who came to preach at the newly opened corps (church) based in a former roller skating rink in the heart of the old medieval city of Norwich. The General implored its citizens to "Get a drum and rouse Norwich from one end to the other." This directive was immediately acted upon, instruments were purchased and a band was formed. By December 1882 the band was heard playing and marching the streets proclaiming the message of God's love for all.

Today the band is very much involved in the life of the city and provides music for many civic, church and cultural events including the annual Lord Mayor's Civic Service and the Remembrance Sunday Parade. It also regularly plays in the magnificent 11th century Cathedral and in concert halls around the region.

The band along with the Songsters (choir) and junior musicians are an integral part of a thriving corps with a membership of over 350.
