Staff prayers

A group of our staff meet weekly in the charity shop for a thought and prayer to start the day. We are going to be moving this to a Monday to start the week off.

We would very much like to open this up for our Corps Folk to join us. If there is anyone who would like to come then please feel free to See Sue, Roman or myself.

If there is anyone who would like to be on a rota to lead we would also really be grateful. The rota would come round once every three months

Thanks Karl

SONGS FROM STAGE, SCREEN and TV – a charity concert for the Salvation Army's Helping Hand on project - 1st July 2017.

It was through the Ladies' Fellowship group that I first became aware of the Salvation Army's 'Helping Hand' project. This is an international charity which tackles gender based violence and inequality around the world and the Ladies' Fellowship supports their work.

The concert began with Karl Jenkins' a capella song “Exsultate Jubilate” and culminated in a performed medley of songs from “Jekyll and Hyde” which was set in modern day costume by our choreographer (and tenor singer), Carl Dorney. Dr Jekyll and Mr Hyde were represented and sung by two different characters who 'switched' identities during the performance. The emphasis was on the struggle between Good and Evil and the masks people wear to hide their true identity. This was followed very effectively by the Benediction – John Rutter's “The Lord Bless You and Keep You”.

The mood of the concert was enhanced by the power point presentation which was displayed on screen, depicting each of the different shows from which the songs had been taken.

We raised £573 which we donated to the Army's “Helping Hand”.

This was a 'one off' project but many members and people who attended the concert hope that we will soon get together again. In the meantime, I'm having a rest.
