

## Twinwoods

On August Bank Holiday Sunday, our band, with the help of the 60s Club Band, were honoured to take part in a service at the annual Glen Miller festival at Twinwoods. The band has been attending this for 15 years and it is a real privilege. We were supported by Bedford Timbrellists.

During the service, hymns and songs were sung and Major Crowe gave a Bible reading with a short thought. A few veterans were presented, accompanied by military personnel. 2 of the veterans are our very own Dennis Hill and Ken Edwards. There is always a short ceremony to remember all those missing in action, which is a very moving part of the service.

After the service, a collection is taken for The Salvation Army Big Collection which amounted to £791.77 this year.

Several comments were made to those who were collecting including:

'I'm not a churchgoer but would never miss this service at Twinwoods.'

'We hope you are doing this again next year.'

Karl Scott

**Thank you to all who took part.**

## The Woolpack

We can't believe this but we have now been going for twelve months. We started off with just ten of us and now there are twenty two of us and we are still growing each month.

People bring their own crafts, we don't work to a project but we do support 'Baby Basics' which supports new mothers and babies for the first three months of life. We also knit various items for other charities.

We are pleased to say that three of our group have made further contact with the Army. This had led to two of them becoming adherent members and involved in Praise Chorus, Messy Church and Over 60s.

We always welcome new people to join us, We do crocheting, tapestry, cross stitch, knitting and of course nattering. If you don't do any of these you are welcome to come and natter.

We meet in the last Thursday of each month (except December) from 9.45am-11.45am, in the community lounge
