Celebrating 135 years
of The Rushden Corps
&
70 years of 8th Rushden Scouts
Of The Salvation Army

We are delighted to have the opportunity to greet you all at Rushden Corps on your 135th. Anniversary. It was our privilege to share five years of ministry with you during that period, and we have many happy memories of those years, which we often recall with great affection. They were days full of excitement and challenge, as the new Community Centre was about to be opened shortly after our arrival. Subsequent years saw much frantic activity in the larger premises, making it possible to extend and develop the Corps programme. We will always be grateful for your faithfulness and support to us at all times, making our ministry most memorable and worthwhile.

We must acknowledge also the 70th. Anniversary of the formation of the scout group, who played an important part within the Corps programme. Tribute must be paid to the loyal leaders who, over the years, have been the means of influencing the lives of countless young boys. Congratulations, therefore, on your 135 years of ministry within the Corps and local community, for which many people have reason to be thankful. Now, as you look to the future, it is our prayer that, as a Corps family, you will continue to see God's hand at work, with many more people finding the joy of Christian ministry and service. God bless you all,

Majors Christine and David Hird.(former Co's}

A few phrases from the late Billy Graham

God is more interested in your future and your relationships than you are

God has given us two hands, one to receive with and the other to give with.

I've read the last page of the Bible. It's all going to turn out all right.
